5. [redacted] Contacted the office of Mr. Francis McNamara, Staff Director, HCUA, concerning formal approval by the Chairman of appearance by [redacted] before the Committee, but received no response to my call.

8. [redacted] Miss Gilles, in the office of Senator George A. Smathers, showed me a letter from a Cuban, [redacted] to the Senator which is primarily concerned with [redacted] desire to be evacuated from Cuba, but also includes a statement to the effect that in ten Latin American countries there are 28 organizations which receive literature in Spanish directly from Peking. [redacted] letter included a list of these organizations. Miss Gilles plans to send the correspondence to Mr. Swartz, Bureau of Security and Consular Affairs of State Department. This item is being forwarded to SAS in the event they have an interest in following up with the State Department.
